Fish specimens

2022

Figure 1: September 19 2022, cruise C025, stratum 416, set 30, depth 139.5m

Figure 2: September 19 2022, cruise C025, stratum 416, set 30, depth 139.5m

Figure 3: September 21 2022, cruise C025, stratum 417, set 34, depth 82m

Figure 4: September 21 2022, cruise C025, stratum 425, set 35, depth 354.5m

Figure 5: September 22 2022, cruise C025, stratum 425, set 44, depth 240m

Figure 6: September 25 2022, cruise C025, stratum 418, set 50, depth 81.5m

Figure 7: September 27 2022, cruise C025, stratum 436, set 62, depth 52m

Figure 8: September 28 2022, cruise C025, stratum 438, set 63, depth 101.5m

2021

Figure 9: August 29 2021, cruise T221 (T121 on paper tag, the cruise number in Oracle is different than what was used during the cruise), stratum 415, set 10, depth 295.5m

2019

Figure 10: September 26 2019, cruise T901, stratum 429, set 107, depth 61.5m

Figure 11: September 28 2019, cruise T901, stratum 428, set 124, depth 37m

2018

Figure 12: September 14 2018, cruise T896, stratum 425, set 37, depth 382.5m

Figure 13: September 30 2018, cruise T896, stratum 435, set 103, depth 32.5m

Figure 14: September 27 2018, cruise T896, stratum 402, set 86, depth 18.5m

Figure 15: September 25 2018, cruise T896, stratum 431, set 80, depth 50.5m

2017

Figure 16: September 14 2017, cruise T777, stratum 415, set 59, depth 356m

Figure 17: September 14 2017, cruise T777, stratum 415, set 59, depth 356m

Figure 18: September 14 2017, cruise T777, stratum 415, set 60, depth 327m

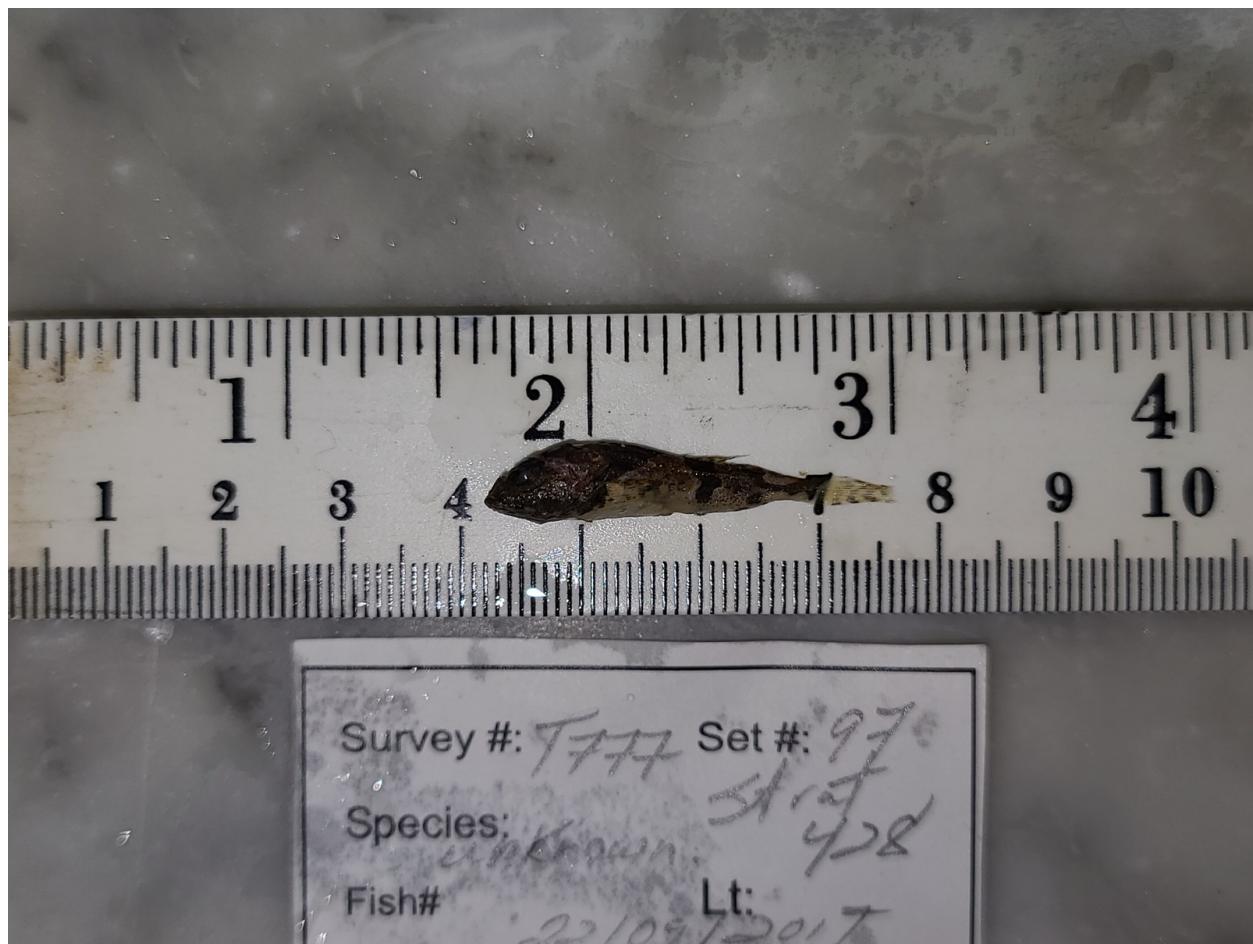

Figure 19: September 22 2017, cruise T777, stratum 428, set 97, depth 38m

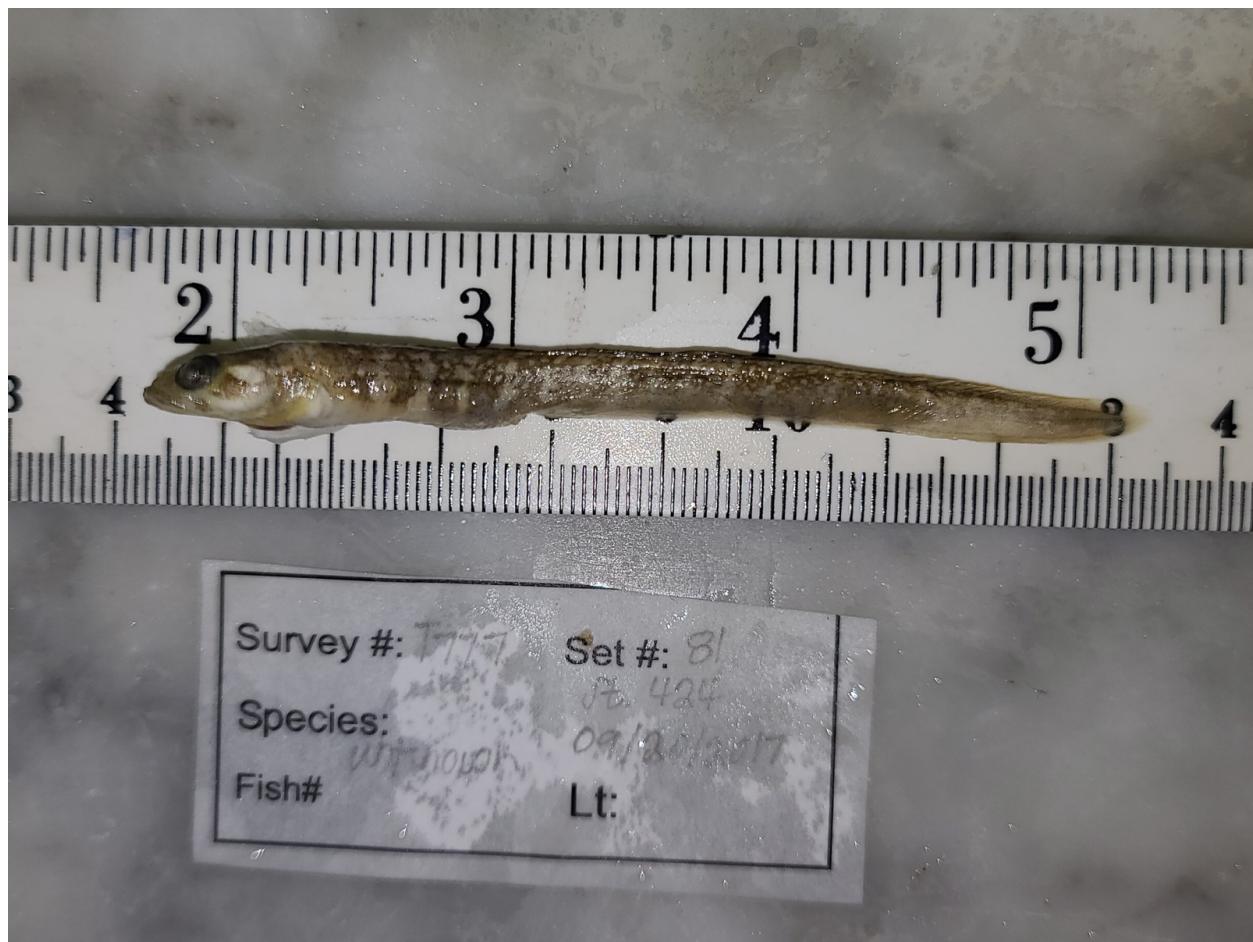

Figure 20: September 20 2017, cruise T777, stratum 424, set 81, depth 60.5m

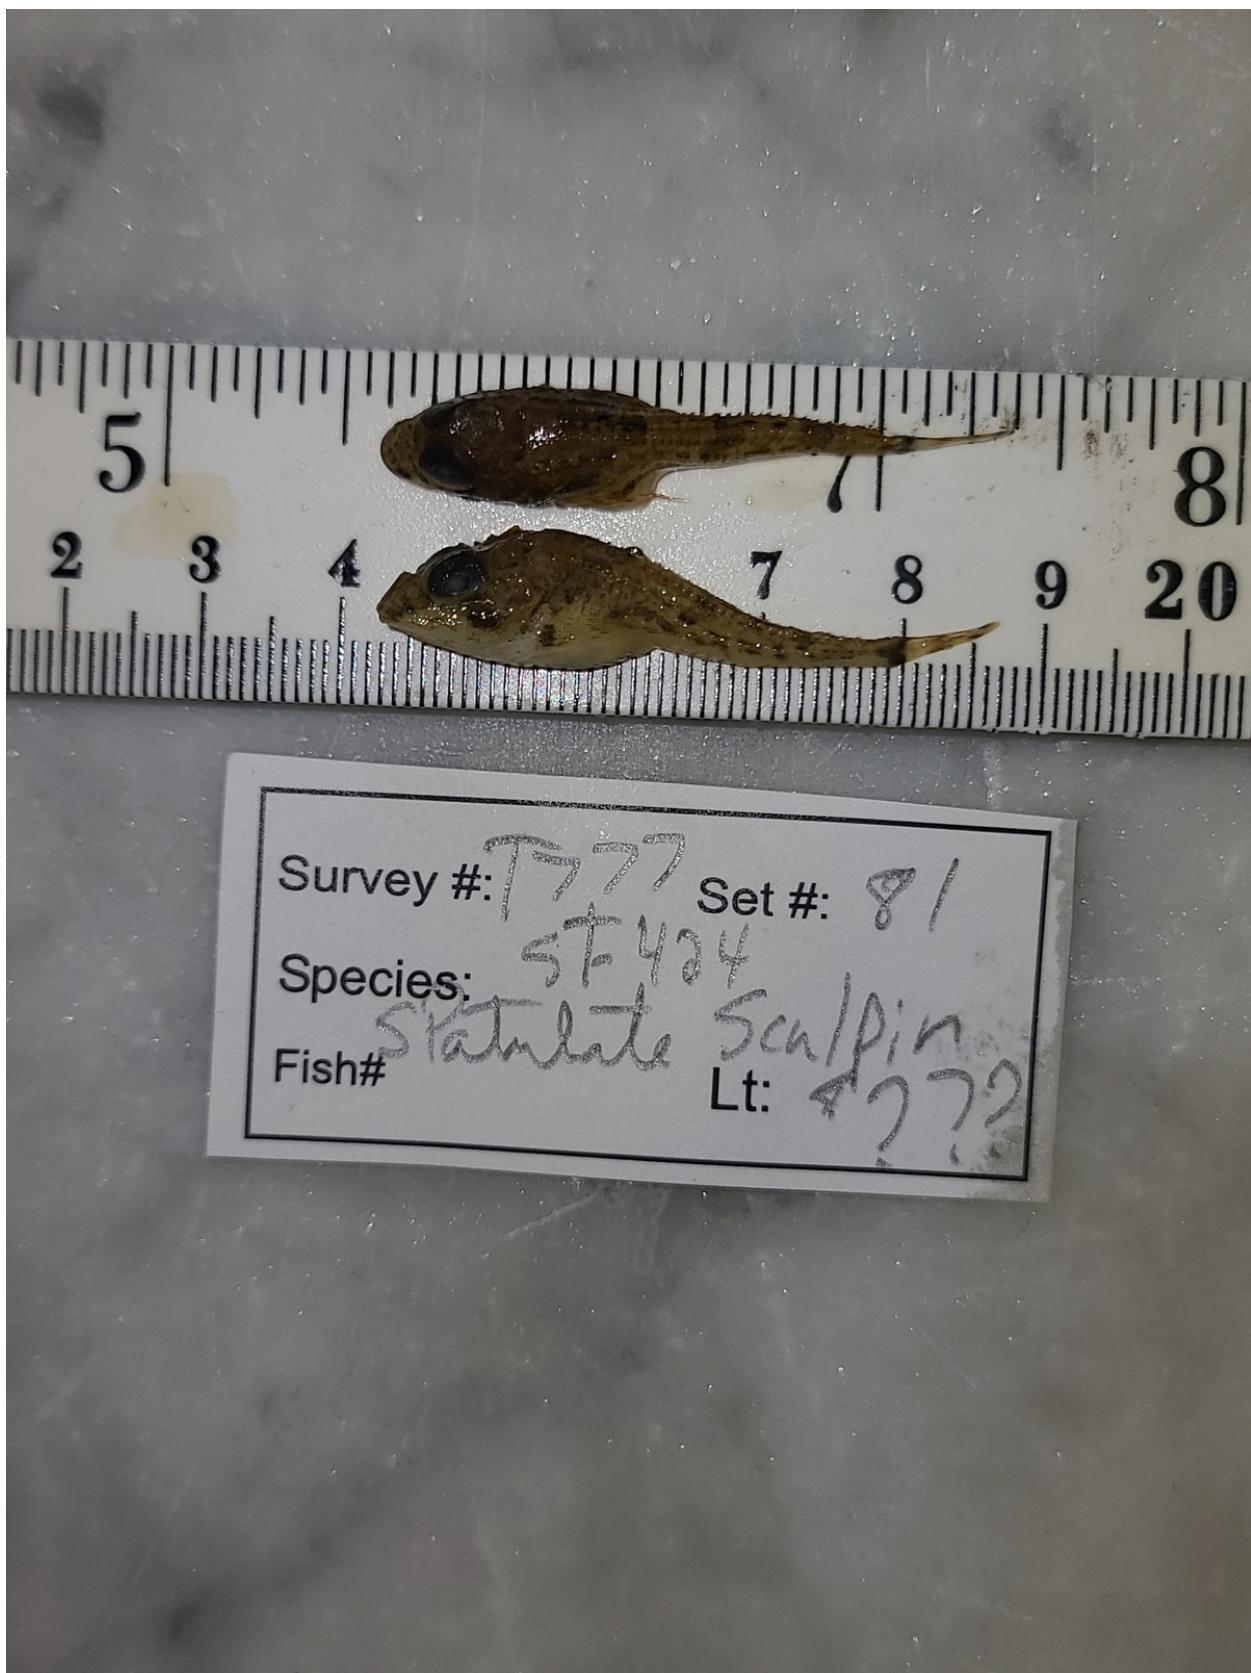

Figure 21: September 19 2017, cruise T777, stratum 424, set 81, depth 60.5m

Figure 22: September 2017, cruise T777, captured during trial set using the NEST trawl. Set 902 is not in the Oracle database, need to check further with data manager. From personal recollection, these sets were conducted in the Northumberland Strait, most likely in stratum 402 or 432.

2016

Figure 24: September 21 2016, cruise T661, stratum 424, set 112, depth 75m

Figure 25: September 22 2016, cruise T661, stratum 429, set 129, depth 56m

Other specimens

2022

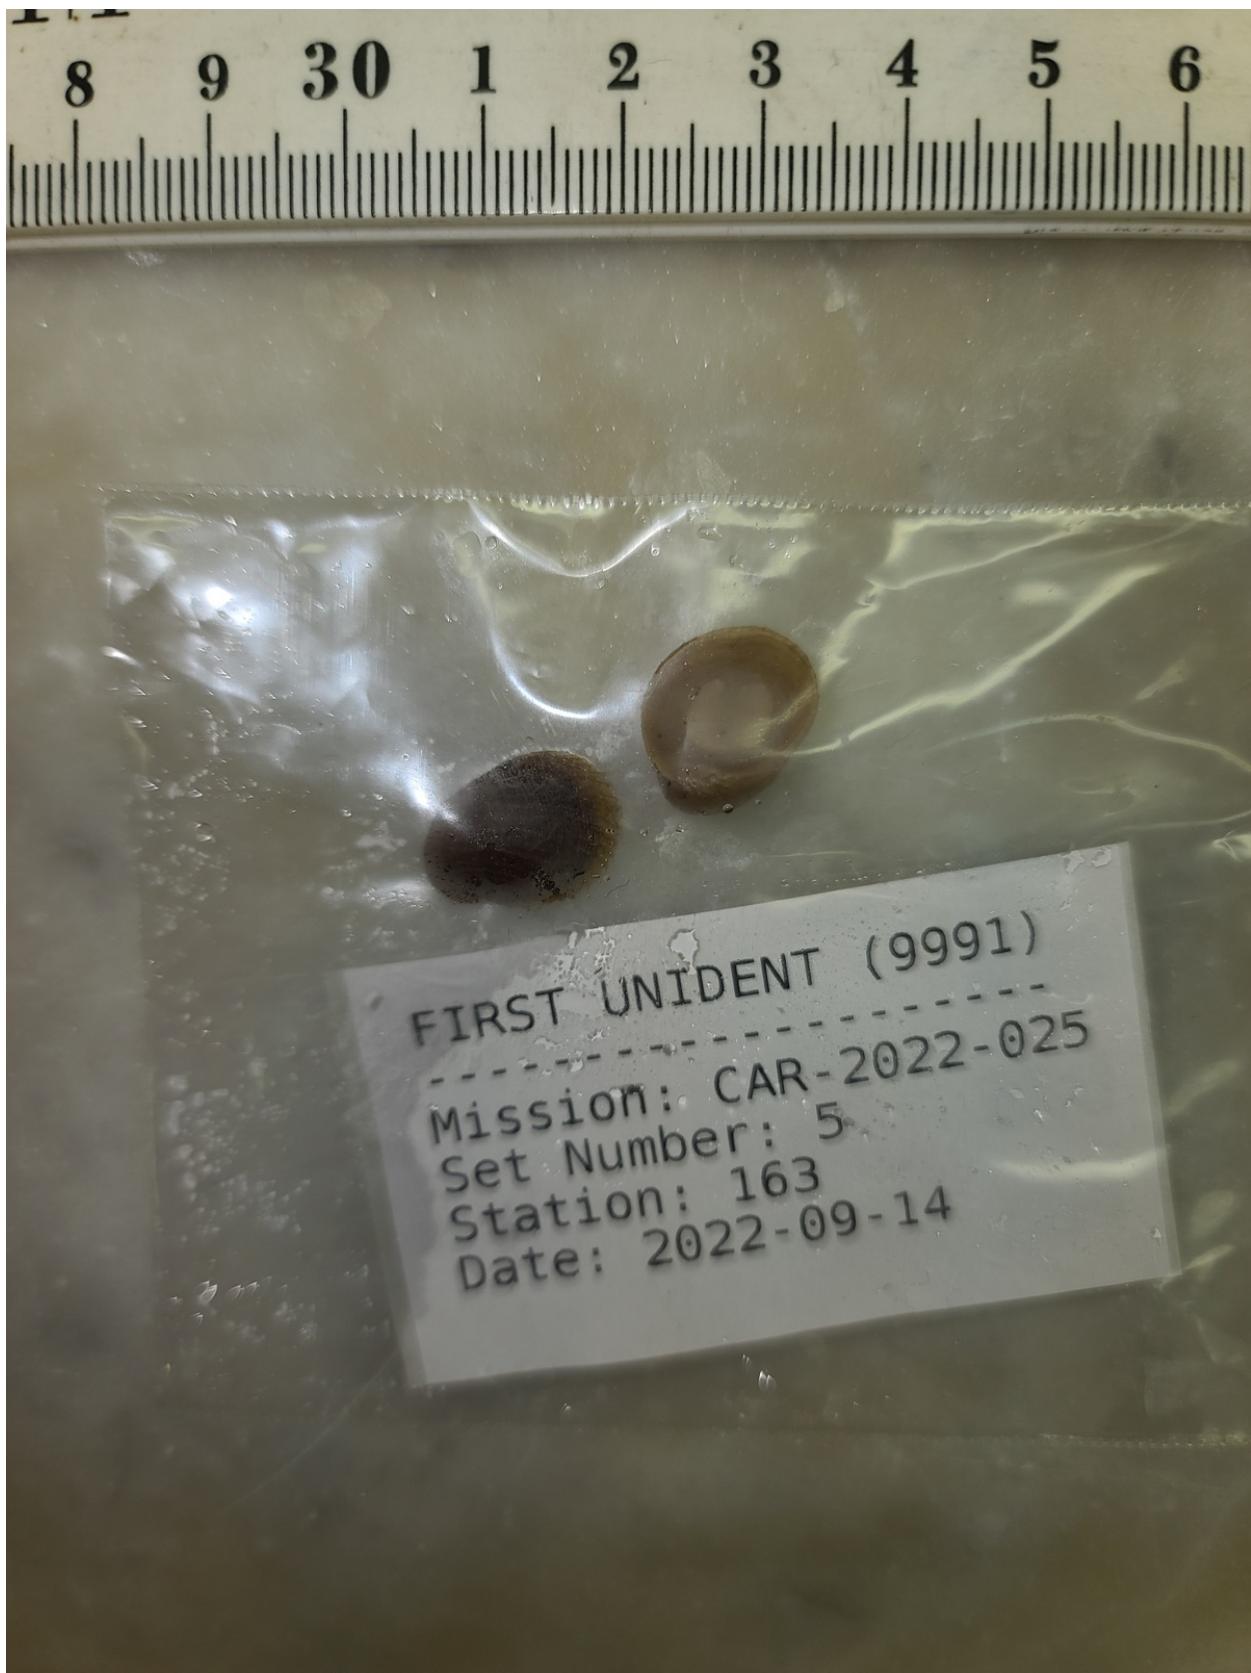

Figure 26: September 13 2022, cruise C025, stratum 434, set 5, depth 53.5m

Figure 27: September 13 2022, cruise C025, stratum 433, set 3, depth 50m

Figure 28: September 18 2022, cruise C025, set 20, depth 26m. The paper label says Set 21, but this was actually captured on set 20.

Figure 29: September 27 2022, cruise C025, stratum 435, set 56, depth 35.5m.

Figure 30: September 26 2022, cruise T232, stratum 417, set 46, depth 87m.

Figure 31: September 20 2022, cruise T232, stratum 415, set 19, depth 358.5m.

2021

Figure 32: September 12 2021, cruise T221, stratum 420, set 79, depth 33m

Figure 33: September 19 2021, cruise T221, stratum 435, set 133, depth 38.5m

Figure 34: September 26 2021, cruise T221, stratum 432, set 180, depth 50m

Figure 35: September 19 2021, cruise T221, stratum 435, set 124, depth 38.5m

Figure 36: September 09 2021, cruise T221, stratum 417, set 56, depth 54m

Figure 37: September 02 2021, cruise T221, stratum 428, set 36, depth 39m

Figure 38: September 22 2021, cruise T221, stratum 439, set 150, depth 200m

2020

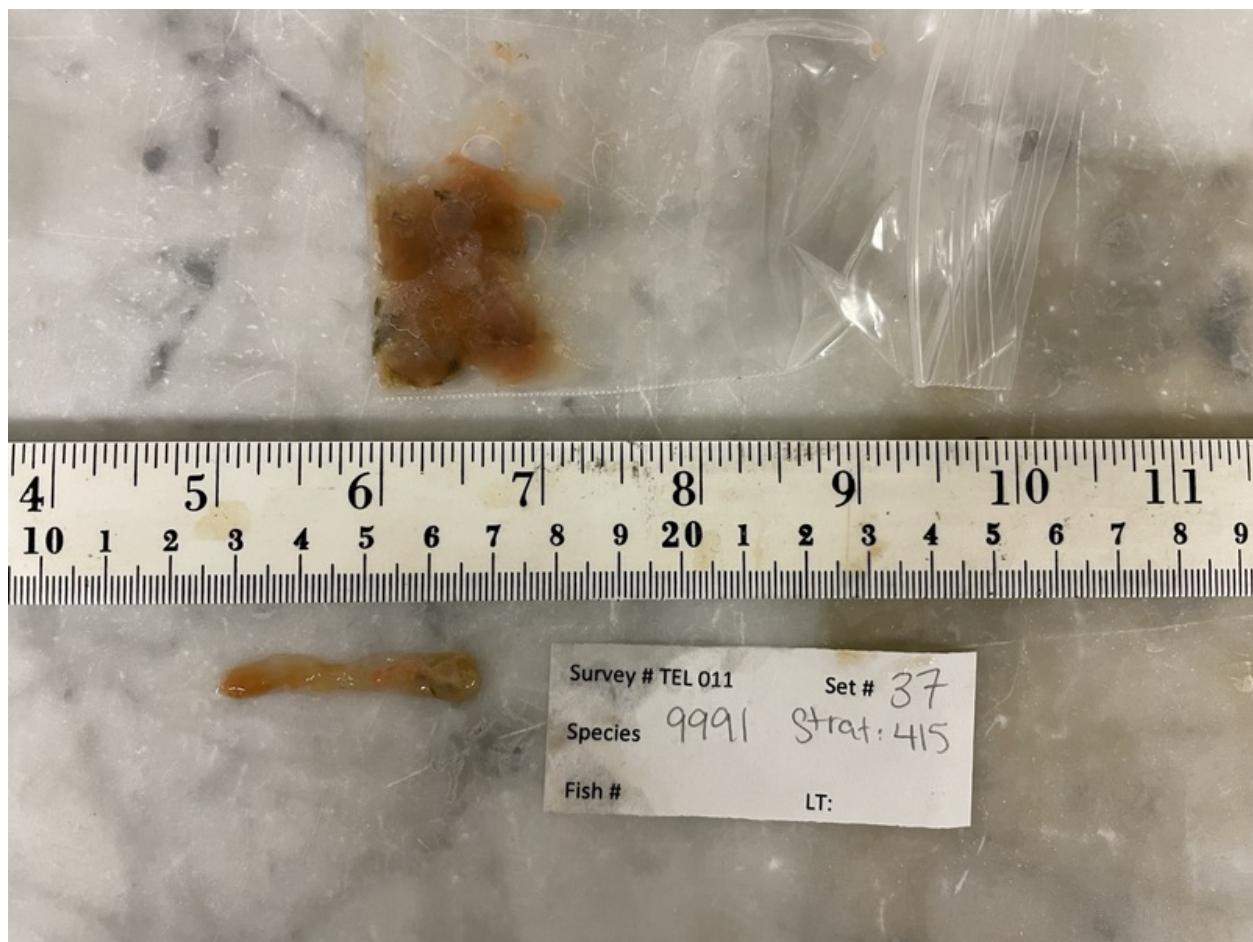

Figure 39: September 19 2020, cruise T011, stratum 415, set 37, depth 260m

Figure 40: September 10 2020, cruise T011, stratum 419, set 1, depth 30m

Figure 41: October 03 2020, cruise T011, stratum 436, set 83, depth 74.5m

Figure 42: September 27 2020, cruise T011, stratum 438, set 51, depth 149m

2019

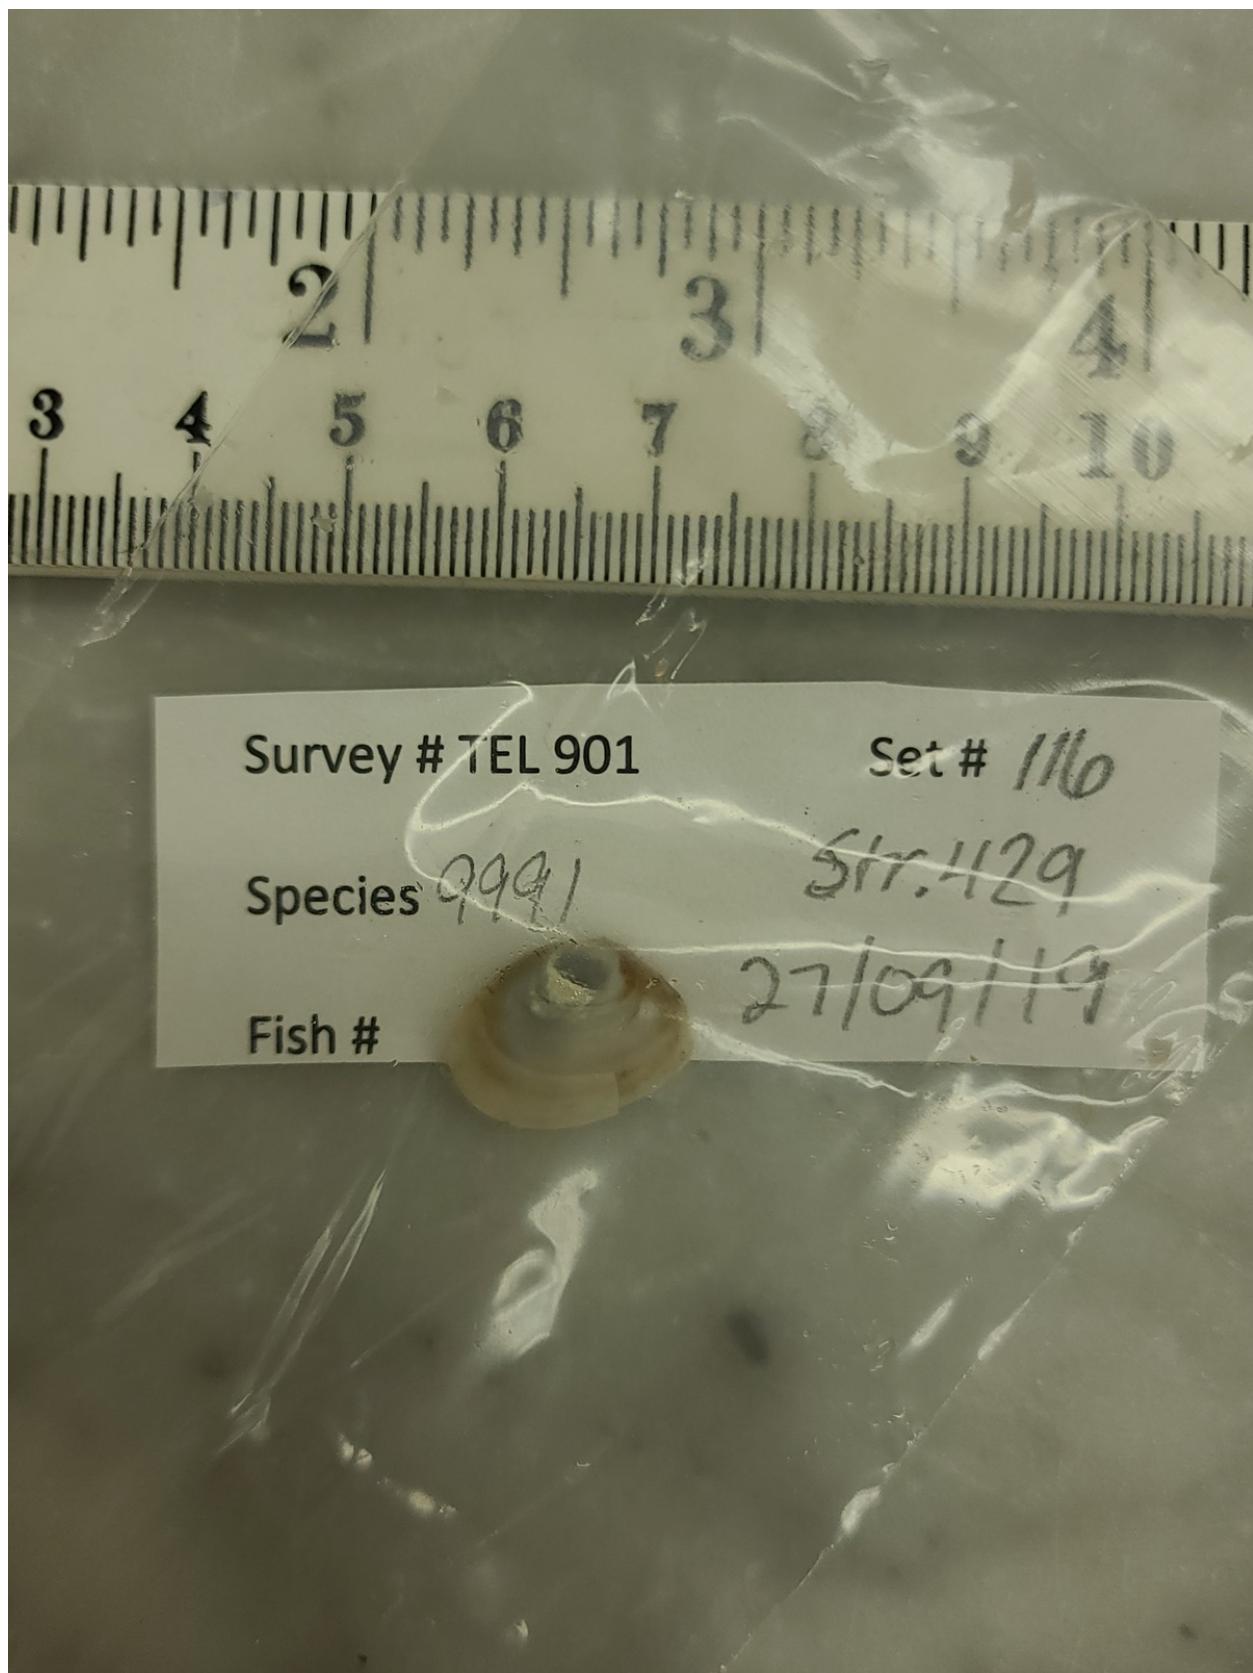

Figure 43: September 27 2019, cruise T901, stratum 429, set 116, depth 51.5m

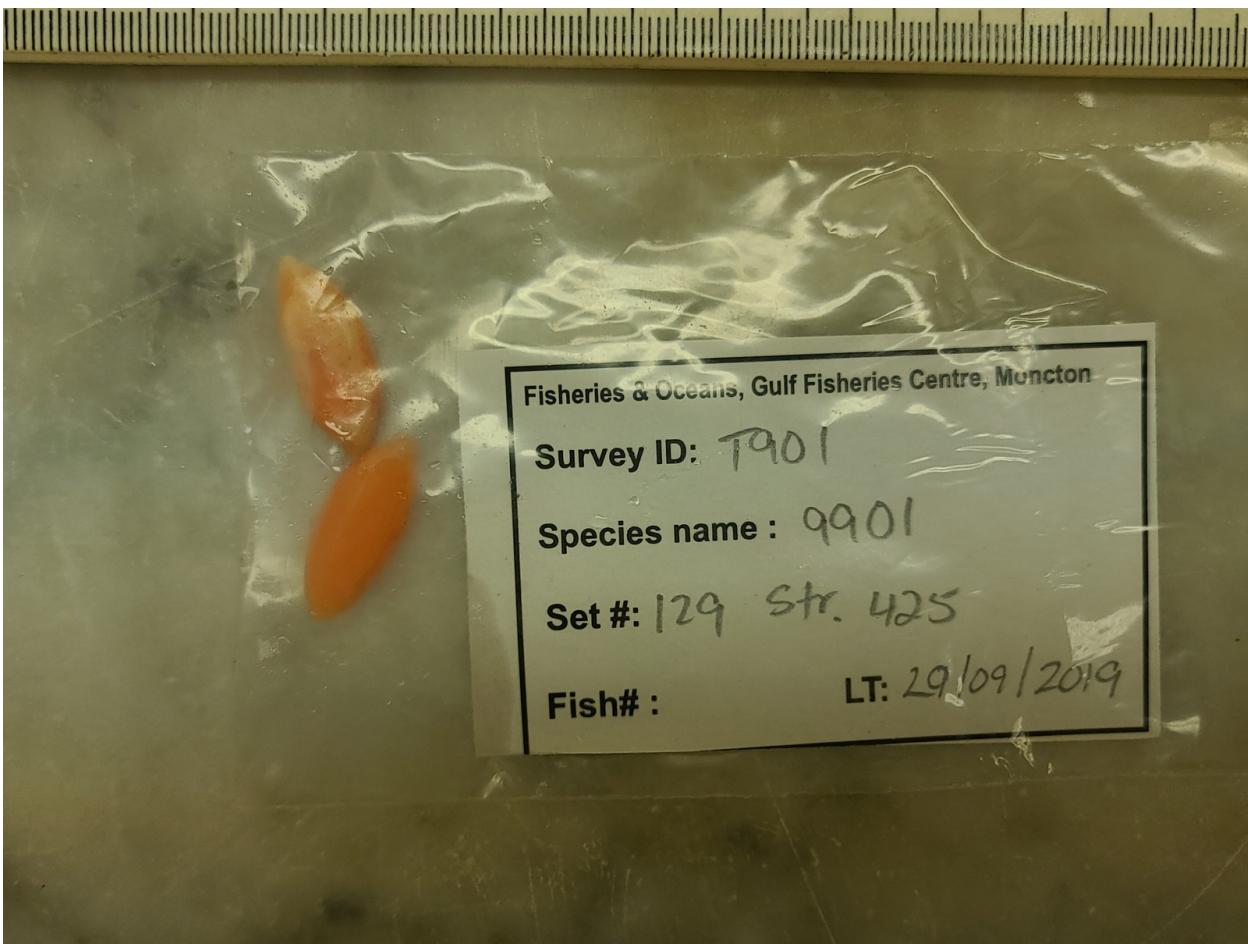

Figure 44: September 29 2019, cruise T901, stratum 425, set 129, depth 297.5m

Figure 45: September 12 2019, cruise T901, stratum 415, set 12, depth 317.5m

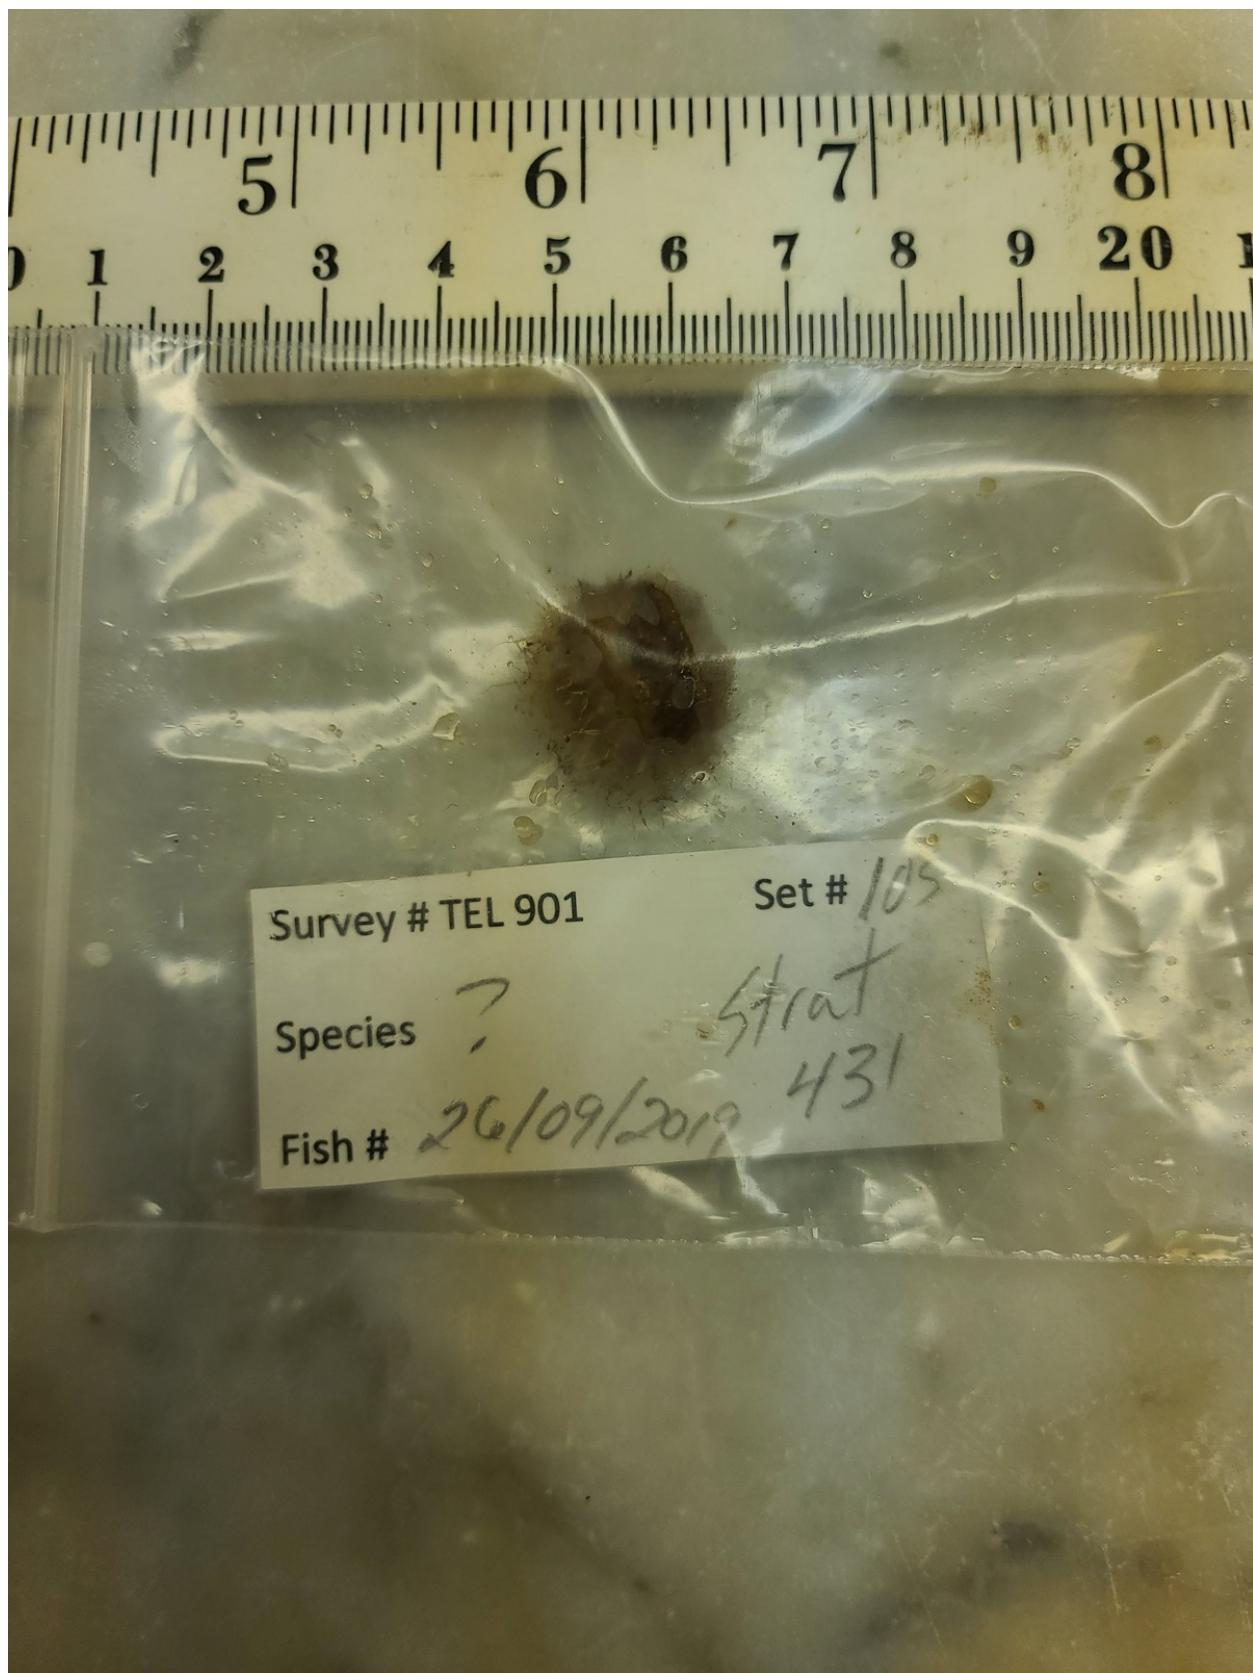

Figure 46: September 26 2019, cruise T901, stratum 431, set 105, depth 51.5m

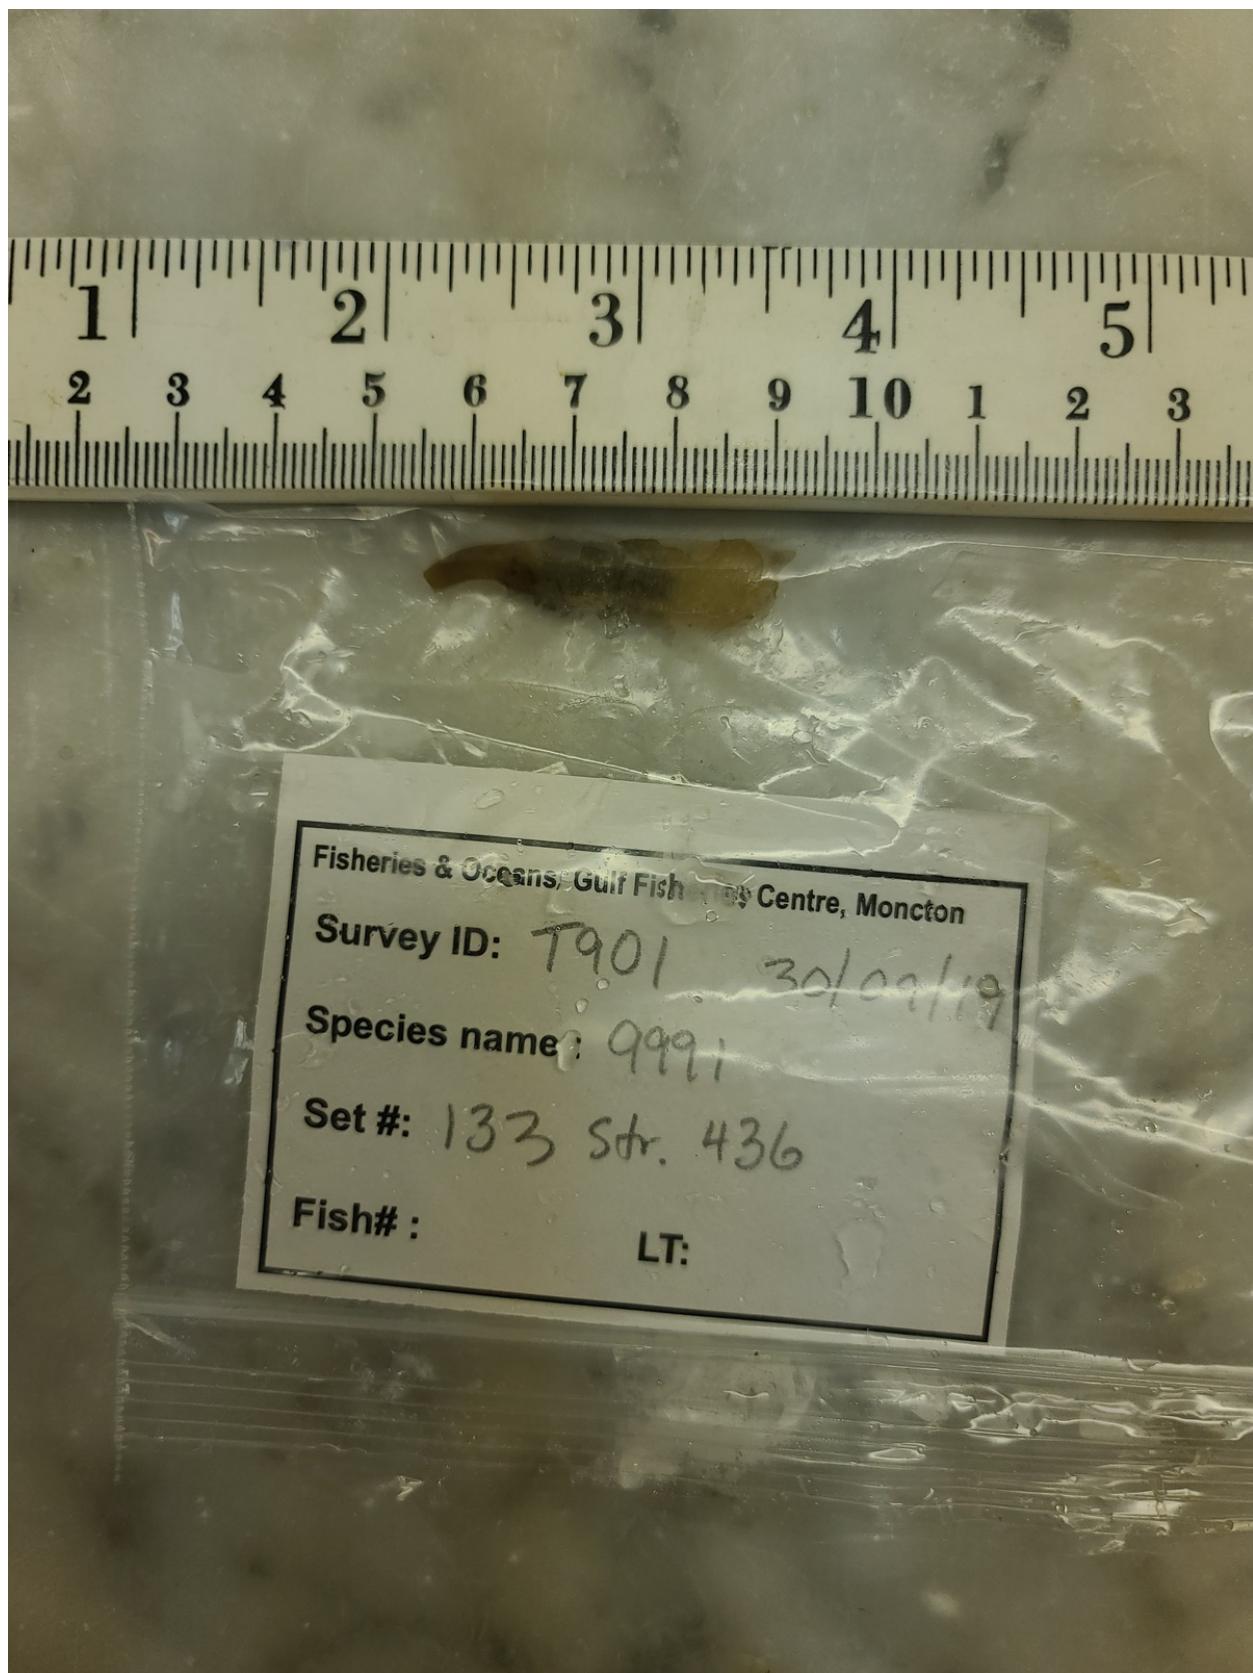

Figure 47: September 30 2019, cruise T901, stratum 436, set 133, depth 54m

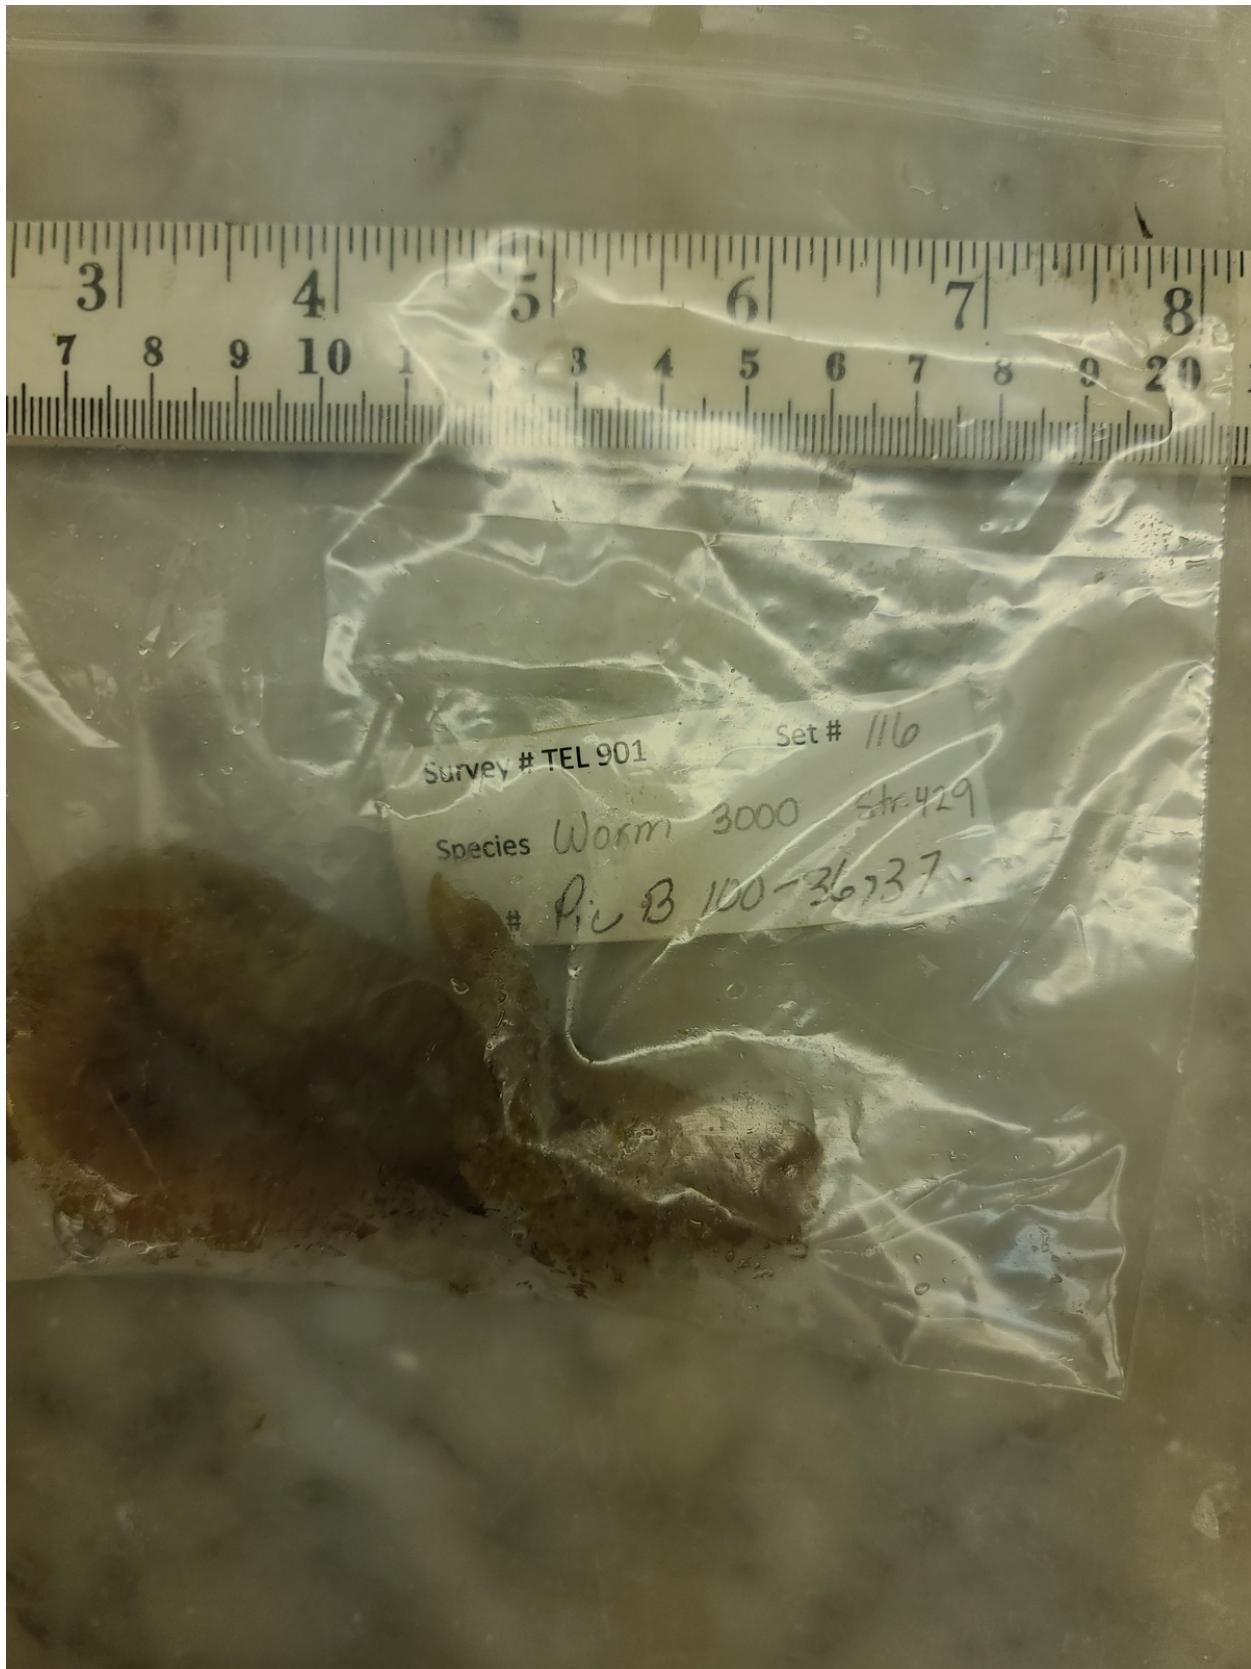

Figure 48: September 27 2019, cruise T901, stratum 429, set 116, depth 51.5m

Figure 49: September 27 2019, cruise T901, stratum 429, set 116, depth 51.5m

Figure 50: September 26 2019, cruise T901, stratum 429, set 107, depth 61.5m

2018

Figure 51: September 30 2018, cruise T896, stratum 435, set 101, depth 34m

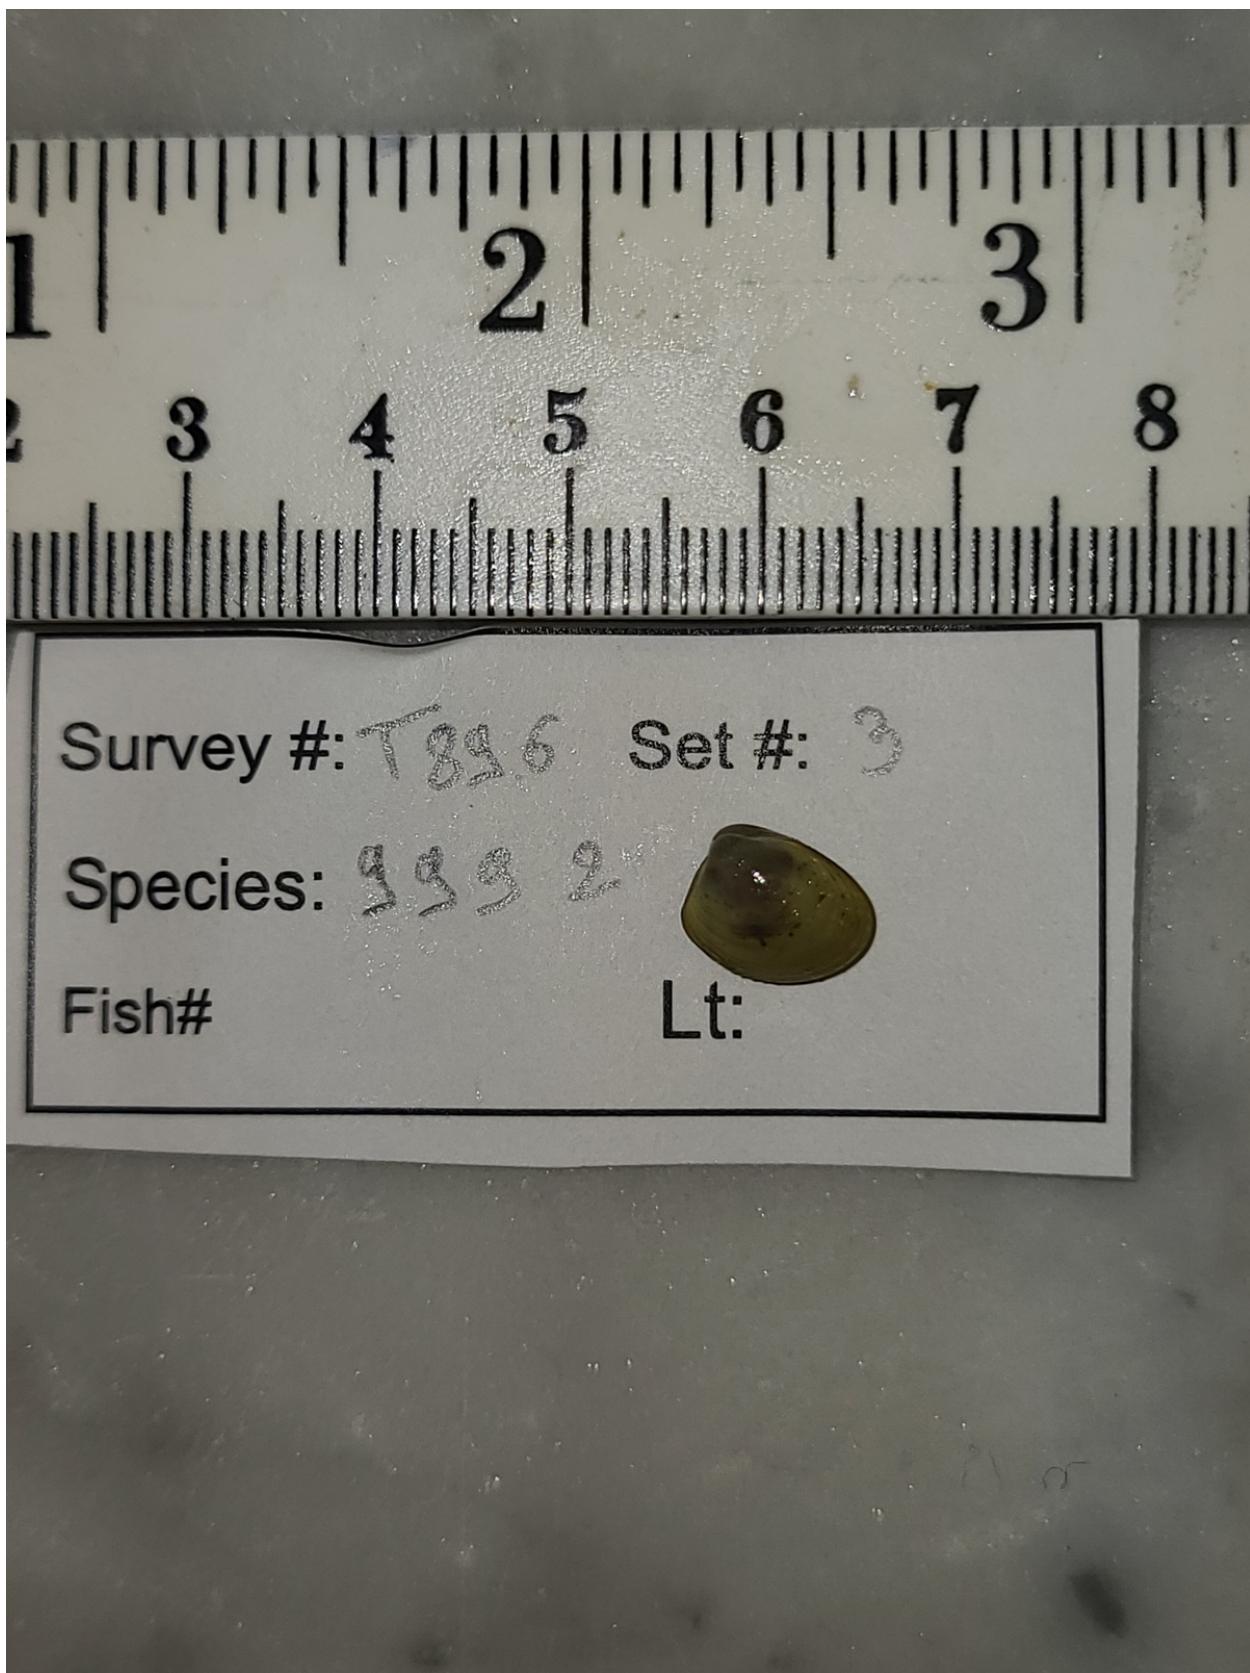

Figure 52: September 07 2018, cruise T896, stratum 418, set 3, depth 77m

Figure 53: September 09 2018, cruise T896, stratum 415, set 11, depth 355m

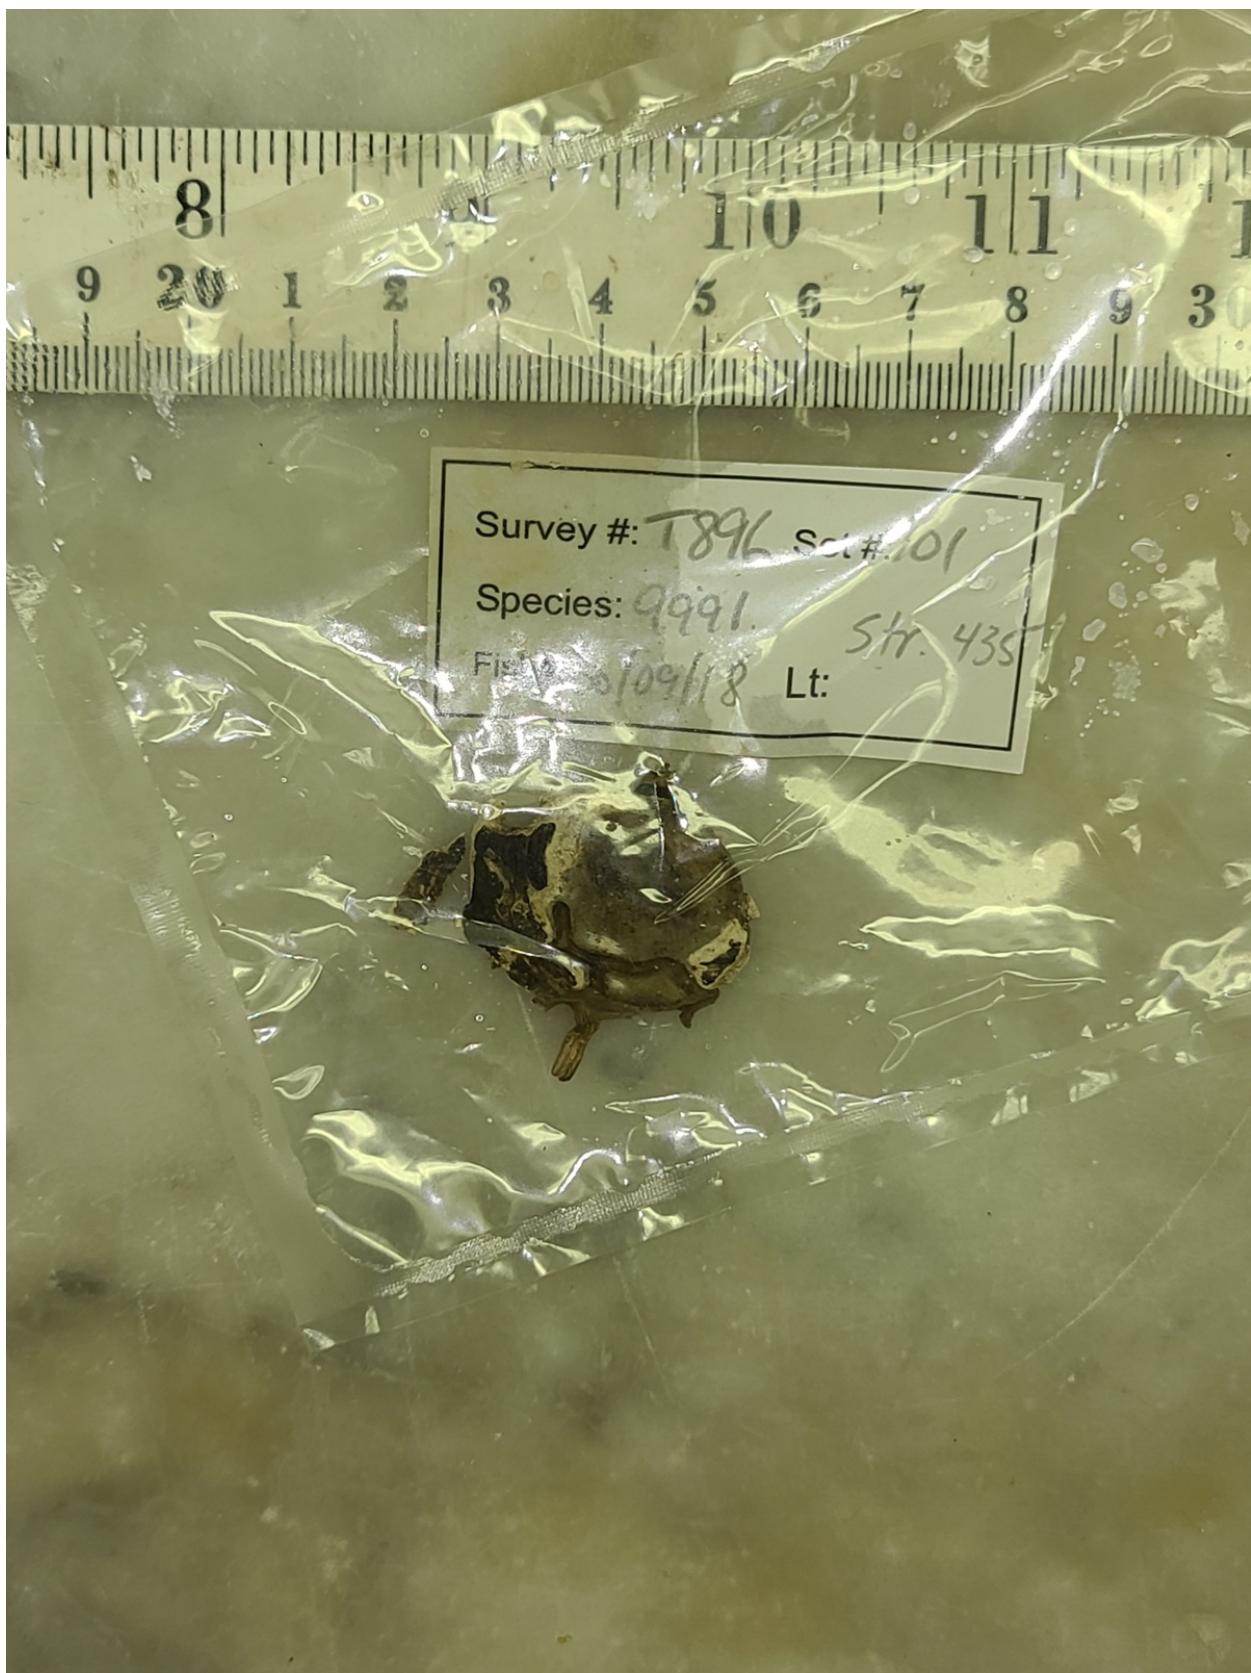

Figure 54: September 30 2018, cruise T896, stratum 435, set 101, depth 34m

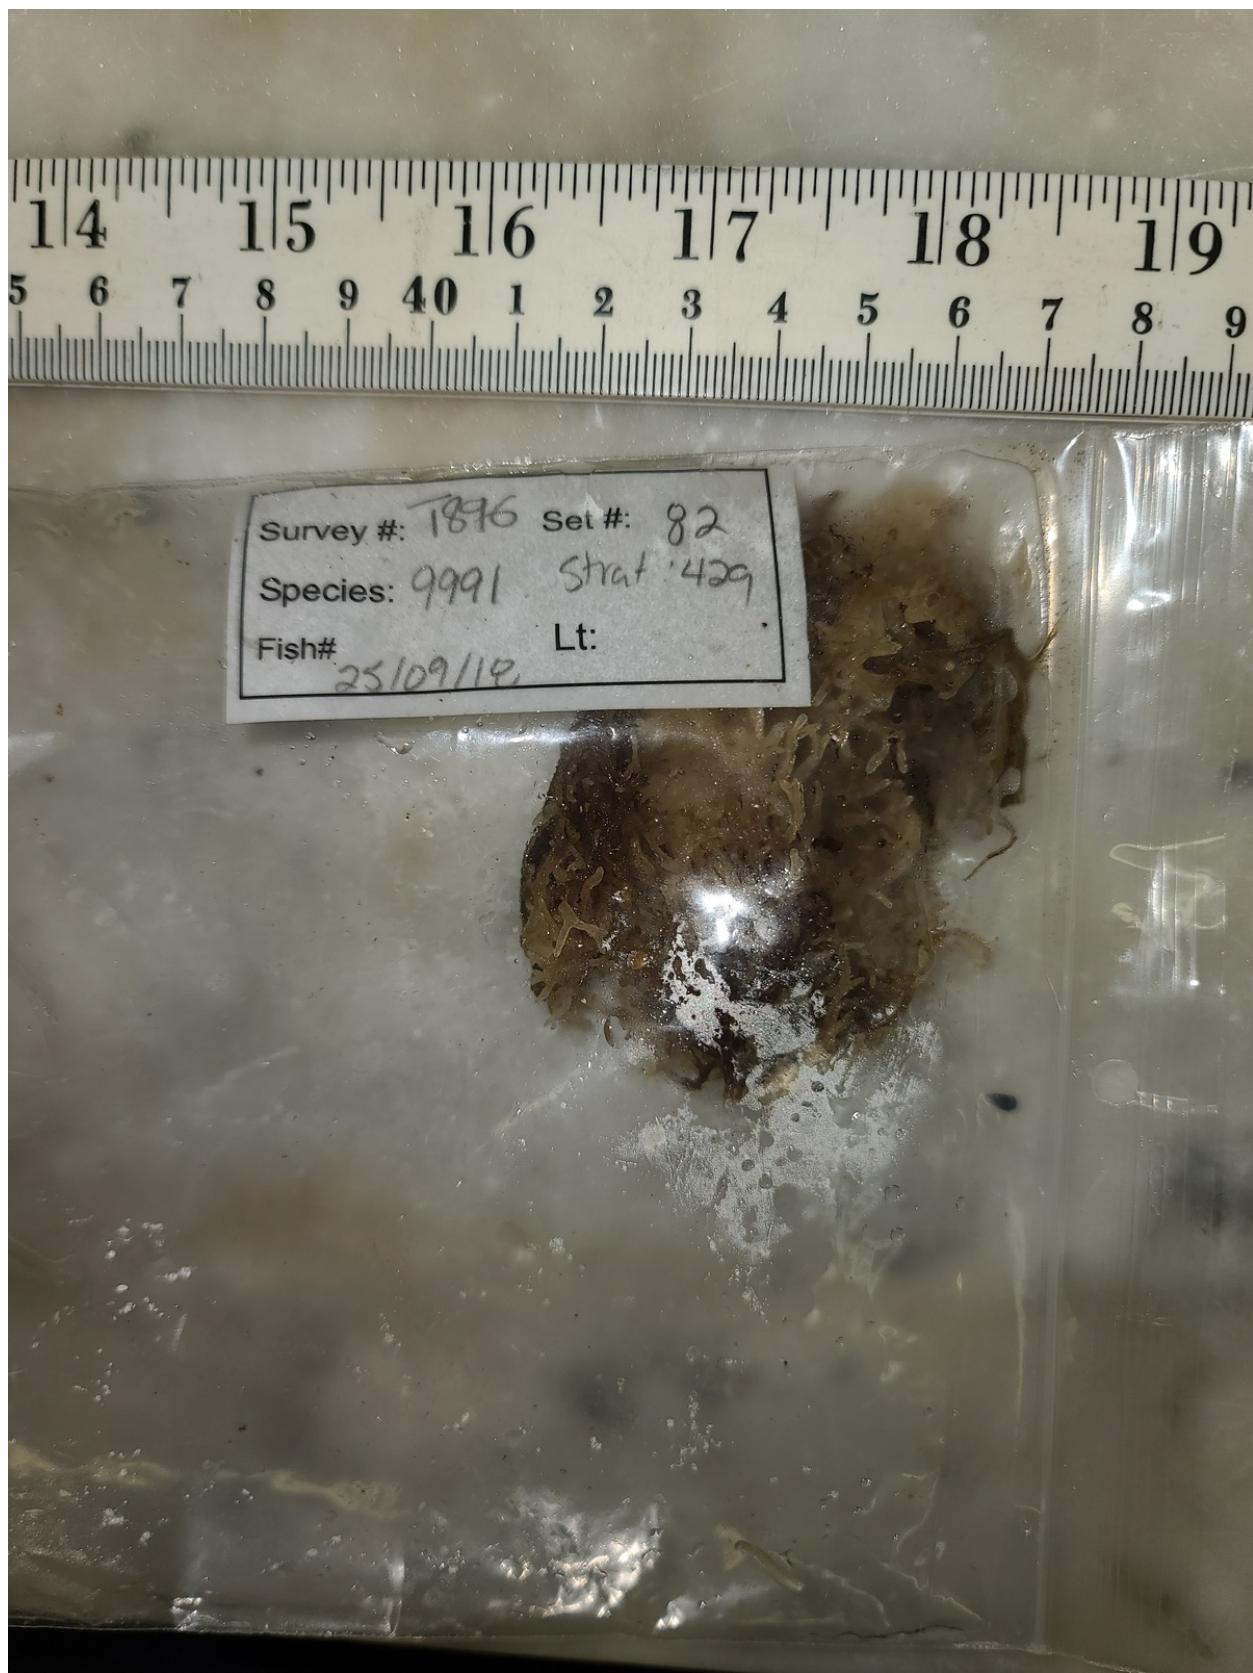

Figure 55: September 25 2018, cruise T896, stratum 429, set 82, depth 70.5m

Figure 56: September 25 2018, cruise T896, stratum 429, set 84, depth 50.5m
